

CARIE's *Dorothy S. Washburn Legislative Committee* monitors legislative and regulatory developments at local, state and national levels in an effort to promote the well being of frail older adults. The Committee consists of consumers as well as professionals in the field of aging who generally meet the first Thursday every month at CARIE from 9:30 to 11:30 AM. Please sign-up now for the Committee's email list if you are interested in joining the Committee or would like to receive advocacy alerts, legislative updates and meeting announcements. You do not have to attend meetings to receive policy information. For more information, please contact Kathy Cubit.
