

## Student Internships

CARIE welcomes students to participate in its programs through internships. We like to work with students to make the placement as valuable as possible for their learning and as a contribution to our work. Following is a list of available opportunities:

- Ombudsman Assistant
- CARIE LINE Advocate
- Victim Advocate
- Volunteer Coordinator
- Public Policy
- Education and Training
- Administrative and finance

We have had the opportunity of hosting students from a variety of disciplines including, social work, gerontology, public health, criminal justice, business, urban planning, and communications. Students from these and other subject areas are welcome to explore creating a meaningful internship at CARIE. To learn more, [email CARIE](#) or call 215-545-5728.
